## User Testimonial

It was a great decision to work with them.  
Precisely what you want in a partner.  
They finished the project early and delivered significant process enhancements.  
Helped us save vast sums on airfreight.  
With them, we know our logistics needs are being taken care of.  
A team of professionals dedicated to us.  
A tremendous value to our distribution supply chain.  
GTM software you can rely on.  
They do the job right the first time.  
They have broad forward-facing logistics offerings.  
They were the most cost-effective way to connect with our customer.  
They enabled a multimillion-dollar inventory reduction.  
They've provided exceptional service while maintaining excellent safety standards.  
Helped us meet hundreds of customer service agreements.  
Their dedication is unflinching.  
The perfect partner for starting up dock scheduling.  
Very helpful and efficient with our requests.  
They are proactive and solution-oriented.  
First-class customer service.  
Excellent capabilities in transportation modeling.  
Fully committed to our success.  
They focus on quality and delivery.  
They enabled us to fully meet our business requirements.  
They give us the big picture of our freight spend.  
They really look for solutions to fit our needs.  
They streamlined our manufacturing processes.  
They have helped reduce cost and optimize our resources.  
Efficient, on time and hassle-free.  
Great to work with – at an affordable fee structure.  
They designed the right solution for us.  
Now we have visibility into finance, sales and operations.  
They're big, but they listen.  
Their hard work has helped reduce our freight expense.  
Subject matter experts working within their core competency.  
They've been diligent and treated us with integrity.  
They delivered more than they promised.  
Proud to nominate them as a partner.  
Joining their exchange program was a great opportunity.  
We have a new level of transparency and control in our supply chain.  
They provide the correct process and software to solve problems.  
Reduced our paper consumption by 65 percent.  
Our distribution infrastructure lets us compete with much larger companies.  
There was real value in working with them.  
It's been a great customer experience.  
They don't offer standard off-the-shelf solutions.  
They provide information proactively to internal and external customers.  
They provide overall nimbleness, flexibility and attention to detail.  
The most ethical organization I've dealt with in 30 years.  
Their software is a real game changer.  
They are a critical tool for our business.

## User Testimonial

A wealth of supply chain execution knowledge.  
 Helped us improve our customer order fulfillment.  
 Their service offering is tailored to the client's need.  
 24-hour access is key.  
 It meets the needs of many 3PLs, freight brokers and shippers.  
 A thorough knowledge of logistics.  
 The best service I've encountered in the industry.  
 Their solutions drive real benefits.  
 They cut costs but don't stint on service.  
 A premier final-mile provider.  
 Their personal touch shows they care about our business.  
 They have a 'customer first' corporate culture.  
 The level of dedication and professionalism makes it a pleasure to work with them.  
 We got immediate resolution to a go-live software work event.  
 Without them we couldn't do what we do.  
 From day one, our experience with them has been seamless.  
 We chose it because of its superior planning tools.  
 We realized efficiencies at virtually every level.  
 Gave us 99 percent accurate trailer location.  
 They perform, and they are committed.  
 Seamless shipping from the U.S. to Canada.  
 They were the only ones with a solution that met our specific business goals.  
 They offer all the core capabilities we've identified as critical.  
 They ensure your service expectations are met.  
 They handle all of our e-commerce fulfillment so we can develop new products.  
 They are partners in reducing our carbon footprint.  
 Their freight sourcing application is a market leader.  
 They accommodate our needs promptly.  
 We're happy we awarded them the business as primary forwarder.  
 They helped us with our struggles in predicting demand.  
 They provided support for slotting, productivity enhancements and labor standards.  
 Truly a customer-focused partner.  
 We cut several days' worth of stock and freed up cash.  
 They really helped our purchasing staff.  
 Our inventory management has improved considerably.  
 Knowledgeable about any task.  
 Customer service is super great.  
 A joy to work with.  
 I am very impressed with their responsiveness.  
 Excellent adherence to customer SLAs.  
 Their dedication to our business is clear.  
 They have a passion for what they do.  
 They're constantly looking out for the best interest of our company.  
 All-round service and personal attention.  
 With international shipments, we know what's going on.  
 They are very flexible to fit our requirements.  
 Mis-picks have decreased by more than 60 percent.  
 The implementation could not have gone easier.  
 They have helped us avoid costly fines.  
 Wonderful resource in getting our products to our customers.
